## Professional Biography

Mark Haskins is a founder and co-owner of Practical Safety Solutions, LLC. He has over 25 years experience in safety and health. Mark's experience includes safety positions with a leading pharmaceutical company, a major chemical company as well as safety positions in consulting and on major projects for an international construction company. He provides safety services to clients concentrating on assessments, program development and implementation, incident analysis, training, as well as technical services including electrical safety, lockout tagout and confined spaces. In addition, Mark holds a faculty appointment at the University of New Haven, School of Public Safety and Professional Studies, Occupational Health and Safety Department. He is an authorized OSHA outreach trainer for 10 hour and 30 hour General Industry and Construction courses. He is also a Certified Safety Professional in Comprehensive Practice. Mark has a master's degree in occupational safety and health management, a graduate certificate in industrial hygiene and a bachelor's degree in biology. He is a certified firefighter and is a hazardous materials trainer.

Mark's technical and management safety experience includes:

- ❑ Heavy and commercial construction
- ❑ Nuclear and conventional power generation
- ❑ Heavy and light manufacturing
- ❑ Hazardous materials handling and emergency response
- ❑ Chemical plant and pharmaceutical manufacturing
- ❑ Maintenance operations
- ❑ Government agency programs
- ❑ Health care
- ❑ OSHA compliance

Mark is a member of the American Industrial Hygiene Association, the National Safety Council, the Connecticut Safety Society and the American Society of Safety Engineers. He serves on the Connecticut Business and Industry Association's Safety Advisory Committee, is a member of the Safety Council of Western New England, and is on the Advisory Board for Business and Legal Reports. He has authored articles on safety and health management and is a frequent speaker at local, regional and national seminars and conferences.
